

## Reverse Coed Fours Tournament

Pairs (indoors) Tourney at Turners, May 14

We're offering a reverse coed fours -- PAIRS tourney at Madison Turners (3001 S. Stoughton Rd) on Saturday, May 14. Start playing at 8:00am, finish by about 4pm. Entry fee \$30 team (of two) or \$15 person, with all proceeds after gym fees to be paid out as cash prizes to winning teams.

Women's height net. Men may not hit from in front of the 10' line, and may not block or jump serve. This tourney is mainly aimed at the B/BB power skill level – it's intended to be a fun event, with an emphasis on the women hitting. Men will not be required to set, but only one designated male each game will be an eligible backrow attacker.

We will use two indoor courts, but favorable weather, numbers, and interest may prompt us to incorporate an additional grass court into the mix. (Separate shoes will be needed for outdoors play).

This will be a madhatter-style event -- the exact pool play and playoff formats will depend on numbers and participants and will be designed to promote enjoyment and competitiveness.

PLAYER POOL. It'd be nice if you can sign up as a guy/girl pair, but singles are encouraged to let me know they'd like to play, and we'll do our best to partner you up.

We're aware that there's also a sand tournament in town that day, but we're hoping enough people would like some more hard court play before summer is upon us.

Please EMAIL ME at [dmritsche@gmail.com](mailto:dmritsche@gmail.com) to let me know if you'd be interested in playing,
